PETITION FOR EXTENSION OF TIME UNDER 37 CFR 1.136(b)		Docket Number (Optional)
In re Application of		
Application Number	10/792,357	Filed 03/04/2004
For RF SMOKE SENSING SYSTEM w/ TREE ORNAMENT		
Art Unit	Examiner MR. JOHN TWEEL	

This is a request for an extension of time of 2 MONTHS (days), (weeks), (months) under 37 CFR 1.136(b) in this pending application. An extension of time is not available in this application under the provisions of 37 CFR 1.136(a); however, additional time to respond may still be granted under the patent statute. The petition fee under 37 CFR 1.17(g) is required. The reasons for requesting the extension of time are the following:

Dear Commissioner of Patents,

Patent examiner Mr. John Tweel kindly gave me permission to serve this document, under supervision, for patent application # 10/792357. The reason I am filing for extension is: Upon planning to abandon I learned of the possibility of actually being able to file a CIP. The First office action was filed in February of this year. The amendment filing period stops Monday the 7th of this month (August) 2006. I am respectfully confident that I may have a good chance of receiving the patent through the CIP process. I respectfully petition for the extension.

Sincerely,

David M. Solak
Inventor
